The tables should pretty much be a cut and paste, right?

I've attached the word version of the MYA to this email.

I actually don't have a copy of the new process slide, and would love to have a copy of it as well!

Hmmm. The figure for the IRIS process steps appears slightly different.

And we probably need to create some versions of the tables for ppt presentations? John has the HHRA NPD brief to all AA-ships on Jan 6.

Hi Annie – I may not have everything but I'm not aware of any figures associated with the MYA, just the chemical tables in it.

Hello & Happy Congrats about the IRIS MYA

So that HHRA stays up to date with the latest and greatest, can I please get figures of the following:

- Revised IRIS process slide
- Any MYA figures?

Thanks,

Annie
